"AMIGOS helped me find my voice and purpose in life. It isn't just a summer volunteering program, it is a path that leads you to appreciate other peoples and cultures, a journey that develops you as a leader, and an adventure that makes you realize that you are more capable than you think."

-Eli Samson, 2018 Breakfast Benefit Student Speaker

MISSION AND HISTORY

Since our founding in Houston in 1965, AMIGOS has served more than 28,000 students and 3,000 from Houston alone.

Our youth leadership programs give students ages 13-22 the opportunity to gain hands-on experience in cultural exchange, collaborative community service, and leadership development.

We are proud of our strong ties to Houston and the continued support we receive from the community.
