

## Making a Bequest to AMIGOS

A bequest is a common type of legacy gift. In a bequest, a donor leaves a specific amount or percentage of their estate to a charity in their will or estate plan. It can be as simple as stating your bequest intentions when you create your estate plan or will. You may also add a bequest to an existing will or estate plan as a codicil.

The following language is an example of how you might word an outright bequest to Amigos de las Américas:

“I give, devise and bequeath to the Amigos de las Américas (EIN# 74-1547146), located at 1800 W Loop S Suite 1325, Houston, TX 77027, the sum of \_\_\_\_\_ [state amount or percentage of or describe the real personal property] to be used for their \_\_\_\_\_ [state designation; e.g., greatest need endowment, or other specific purposes].”
