

AMIGOS Parent or Guardian Questionnaire

Note: if you are 18+, you may complete this form on your own behalf.

We are thrilled your family has decided to join us this summer! Your volunteer is about to embark on a very exciting journey, and we want to make sure our staff team is prepared to support them throughout their time with us. To help us support your student in the array of experiences they may have, this form asks for your perspective on how we can best encourage them and create an open and communicative relationship.

- 1) What is your child's experience with international travel?

- 2) What is your child most looking forward to about AMIGOS?

- 3) What is your child's typical response to stress and/or anxiety?

- 4) How do you support your child in responding to stress and/or anxiety? What are some ways that our staff can support them through challenges?

- 5) What is one thing that your child loves to do at home? This could be a hobby, sport, or other interest.

- 6) What is one recommendation for how our staff can get to know your child?

- 7) What is one thing your child has shared with you that they hope to gain from or achieve on their AMIGOS experience?

- 8) What challenges, if any, do you anticipate that may arise during the program?

- 9) Anything else you think we should know?
